

RULES & STANDARDS for HOMEOWNERS

of the Twin Creeks Homeowners Association

These Rules & Standards are a summarization and clarification of material in the official Declaration of Covenants, Conditions and Restrictions and Rules that have been adopted by the Board of Directors of Twin Creeks Homeowners Association, Inc. ("Association") that govern all homeownership in the Brookstone and Fieldstone subdivisions in Pike Township, Marion County. Some of the below provisions are compiled from the "Declaration of Covenants, Conditions & Restrictions for Twin Creeks" as filed with the Marion County Recorder on January 29, 1993. Other provisions below were adopted by the Board of Directors pursuant to the rule-making powers granted to the Board under the Declaration of Covenants. The Rules and Standards in this document are not necessarily exhaustive and will be updated and clarified as necessary. These Rules & Standards are compiled to assist the homeowner with expectations of the Association's Board of Directors who enforce the Covenants and the Association's Architectural Control Committee that reviews and approves external changes to properties within Brookstone and Fieldstone. The goal of these Rules & Standards is to preserve property values and maintain the attractive appearance of our community for all of its residents.
